For the upper lakes fair weather, north to west winds, stationary or higher barometer, and nearly stationary temperature. For the lower lakes fair weather, westerly winds, higher barometer, stationary or lower temperature. For Tennesses and the Onio Valley lair weather, winds mostly northerly, stationary barometer, stationary or lower temperature. Justice Launder's Court.

This old established place for the dispos ing of justice, and which is a sort of a ing of justice, and which is a sort of a monopoly, but a just one, in East Wheeling, had one invoice before it last night.

It seems that Charles Watkins, who in the main is a very bad egg, has a wife, and their home is in what East Wheeling people call "Hell's Half Acre," but on some occasions it seems the whole acre. The one in which Watkins flourished was caused by him chasing his wife out of the house with an ax and a case-knife, and shouting all sorts of abuse after he.

Justice Launder having heard about a dozen witnesses, find him, \$3 and costs, and bound him over to keep the peace.

He will keep it in jail for ten day peace.

The Buzz-Saw Gets to its Work. The amount of perspiration paragraph-

ers have gotten off in the past half dozen years in connection with their bad jokes on the buzz-saw makes it not strange that this much abused instrument should at last turn and get in its work-if not on its last turn and get in its work—if not on its enemies, then the nearest thing to it. This happened to be yesterday, in the planing mill of Hanes, Wilson & Oo., the five flugers of one hand belonging to Rudolph Schaffer, an employe of the establishment. They dropped to the accident at once, and Drs. Ulrich and Allen bound up the wounds.

The other case happened to "Safe!" Starks, working in Armstrone, Coan & Starks, working in Armstrone, Coan &

the Henny Matter and Other Squab-bles. The Committee on Fire Department met

t the City Building last night for several

purposes, and each member was apparently invested with an importance that only

member of the committee could appreciate if we, not a member, could judge or clase if we, not a member, could judge or at least infer from the mysterious move, ments of said committee. All the members of the committee were present except. Mr. Schultze, of the Eighth ward, who has not been about lately because the committee, he says, got 2,000 feet of hose on the strength of the necessity of the Eighth ward hose house, and after it was procured the hose was distributed around, among the other hose was distributed around, among the other house. All the left the committee abruptly one day, and says the house it chooses to carry out its own resolution he will go back. It is also a double-nigger engine, with cyling the other house. The left the committee abruptly one day, and says the house it chooses to carry out its own resolution he will go back. It is not until then. The first thing that attracted our reportorial eyes the straight was a number of plans and specifications for the new hose house to be erected on the Island, and from these architect Howard was explaning to the committee the mysteries of the building to be a created in the mysteries of the building to be a created in the state rooms of the captain, the the mysteries of the building to be a created in the state rooms of the captain, the the mysteries of the building to be a created in the state rooms of the captain, the choice is a consideration of the Seventh ward building and it was decided to use stock brick for its front instead of preased orick fo itement and betting this season. The at least infer from the mysterious move

knowledge that he had of the charges. It did seem to him that a copy of them should have been, or should be, given to Kenney, when issue could be made up op the reply in writing on what is denied or alleged.

alleged.
Mr. Oriswell said it was an oversight.
Mr. Oracraft—No, there is no ordinance equiring it.
Mr. Dovener said he ought to have chance to answer, or time to answer. He should have a fair chance. Did not wish

my more than twenty-four hours.

Mr. Cracraft thought it was unfortunate Mr. Oracrait thought it was unfortunate that the ordinance did not contemplate the thing which Capt. Dovener asked, as it was fair and reasonable. He was of the opinion that a delay would develop an issue that would more than likely recompense for it. He made a motion that the Committee adjourn until Wednesday night at 7:30, and also that the elerk fur.

Committee adjourn until Wednesday night at 7:30, and also that the clerk fur-nish the accused a copy of the charges also that the City Solicitor be requested to represent the city.

Ecarcely had this matter been arranged

scarcely had this matter been arranged before Jack Zimmer, Jermerly foreman of the Guards' Hose Company, put in an appeal from the decision of the Chief suspending him from his office and from the Department, and asked to be sillowed to show his defense. The matter was referred to Conneil for action. to Council for action.

In the matter of the sale of the Second

In the matter of the sale of the Second ward hose house, a sub committee was appointed to examine into the matter submitted by Mr. A. G. Walter, member from the ward in which the house is situated. The hose house, in the opinion of many citizens, is a luxary that the city is not able to support; and either a new engine house should be built there or the ground sold and the proceeds devoted to the paving of stream.

Bold by Taughlin Bros. & Co., Wholesale Draggists, Wheeling. An Old Priend,

Of the Jennie Campbell, of this City. The Jennie Campbell, Commodore

Hornbrook's elegant new tow-boat, was

steamed up yesterday morning, and in

the afternoon was tested by a run from this city to the Pitiaburg Coal Works, near Bellaire, and return. The boat is 147 feet long on deck, 264 feet beam, and 44 feet hold. The wheel is 17½ feet in diameter, with 21 feet buckets. The machinery is convenient on the river, or in the language of the Commodore himself, "is one of the finest on any boatlanywhere." The cabin was furnished by Harden & Wilhelm; the plumbing and steam fitting by Wm. Hara was furnished by Harden & Wilhelm; the plumbing and steam-fitting by Wm. Hare & Son. In the trial trip she was steared by Commodore Hornbrook, while John Sweeney and John Stone attended to the calls of the pilot in the engine room. No boat ever worked better on a trial trip, "and she handled beautifully." She will be run in the Wheeling and Louisville trade until the first fall rise, when she will go to New Crisans and stay there all wing to the work of the stage of th trade until the iris! fall rise, when she will go to New Orleans and stay there all winter. On the return of the boat to this city Mayor Sweeney came aboard with a beautiful set of colors, a present to the boat from Miss Jennie Campbell, of New Orleans, through her father, Capt. Wm. Campbell, of the Robert E. Lee.

* THE B. & O. R. B. Has It a Better Gutlet Than Through

Wheeling.

A Wheeling iron man met Chauncey Andrews, President of the Pitteburgh Youngstown & Chicago Railroad, in this city a couple of days ago. Mr. Andrews gave the Wheeling man the impression o cession, where a large delegation of First warders was awaiting their arrival Chairman Criswell said the object of the meeting was to consider the charges against Thomas Kenny, hoster at the Vigilant engine house, and proceeded to read the charges, which are substantially as follows: Kenny is charged with insubordination on the night of July 21st; for wrangling and using profane language and for assaulting the Chief of the Department on the 21st.

Mr. Dovener said this was the first knowledge that he had of the charges. It this did seem to him that a copy of them should have been, or should be, given to Mreling & Lake Erie road. But Mr. Andrews said that this had been all set-Andrews said that this had been all se At the present time there does not seen

At the present time there does not seem to be much silr regarding the Hempfield route and, for that matter not much quiet work on either side. But then Council is not in session, which may furnish part reason for the above.

No Bont Hace.

Charley Miller and George Weisgerber ent to Pittsburgh yesterday for the purose of arranging the terms of a race between "Eph" Morris and the last named A SPLENDID OPPORTUNITY TO WIN gentleman. At an early hour this mornng a telegram was received at this office rom Walter Beaumont stating that no from Walter Beatmont stating that no race would be made, as no arrangements could be made satisfactory to both parties. The trouble appears to be that each one of the oarsmen wishes to row at his own town, and neither will concede the place of rowing to the other. We did not learn anything from the Briceland-Lay-barger med.

Itching Piles Riching Piles
is one of the most annoying diseases
in the world, and yet all can find sure
relief by the use of Da. Swayns's Oinmass. I has been tested in thousands
of instances and invariably makes a
sure cure. The symptoms are muisture, like perspirations, intense itching, increased by scratching, very distressing, particularly at hight, as if
pin worms were crawling in and about
the rectum; the private parts are bin worms were crawing in and acout the rectum; the private parts are sometimes effected. Reader, if you are suffering from this distressing complaint, or tetter, itch, scald head, ringworm, barber's itch, any crusty, scaly skin eruptions, use Dr. Swayne's Ointment and be cured.

Taylor, Hinsdale, N. H. writes: "

L. Taylor, Hinstale, N. H. writes: For thirty years I have been greatly troubled with Itching Piles: have consulted many remedies, which proved to me no remedies at all, until I obtained Dr. Swayne's Ointment at Thomas' drug store in Brattleboro, Vt, which and many drug completely, Swayne's hich cured me completely. Intmenti a sold by all druggists.
